

May 2016 Knightline

Dear ARK Family,

We had another successful ARK Variety Show. It was wonderful seeing our students performing and sharing their talents with the community. We had singers, dancers, violinists, pianists, comedians and even a ventriloquist. Thanks to Mrs. Longo and Mrs. Eakins for organizing the event.

Our third graders shared Solar System projects with staff, peers and their families. The projects and student presentations were impressive.

Lastly, I am excited to share that A. Russell Knight raised over \$5,000 to support JDRF. The Cherry Hill School District raised over \$60,000!
